

ALWAYS WORKING FOR A SUSTAINABLE TOMORROW®

WM Corporate Overview

ABOUT WM

As North America's leading provider of comprehensive environmental and sustainability solutions, WM provides collection, recycling, disposal and sustainability services to millions of municipal, residential and corporate customers throughout the U.S. and Canada – from mom-and-pop shops to some of the largest companies in the world. For more than 50 years, WM has played an integral role in our communities, providing safe and responsible environmental services and enabling sustainability progress for businesses, cities and households across North America.

WM is headquartered in Houston, Texas with nearly 48,000 employees, over 1,000 operating facilities and \$20.4 billion in revenue.

North America's Leading Provider of Environmental and Sustainability Solutions

OUR SUSTAINABILITY AMBITIONS

Leveraging infrastructure, scale, expertise and world-class operations, WM is focused on three bold ambitions: **material is repurposed**, **energy is renewable**, and **communities are thriving**. To deliver on these ambitions, WM plans to invest more than \$2.8 billion in recycling and renewable energy from 2022 through 2026 so we can:

- Make it easier for communities to recycle
- Power homes and communities with renewable energy
- Enable sustainable progress for businesses and communities
